PrimeLuck Arts

TATU Hyde, Tatu City, Kenya

SCHOOLS AND GROUPS

Art clubs and programmes for schools and groups

Art clubs, Art Fiesta, bootcamps and group workshops, fitted to your school timetable. Tell us the age range, class size and term dates and we will propose a plan.

WHAT WE OFFER

Foundational drawing

Line, form, light, colour and composition, in a set order.

Portfolio preparation

For older students who are building a body of work.

Group workshops

A guided session built around your group and your goal.

HOW EVERY SESSION WORKS

01 **Demonstrate**
The teacher shows a skill step by step.

02 **Practise**
Learners work on a defined exercise that uses that skill.

03 **Review**
The work is looked at and returned with specific next steps.

Already in schools

Members of our teaching team lead art clubs at Nova Pioneer Primary Tatu City, Nova Pioneer Girls Secondary and Citam Schools Eldoret.

What we need from you

The age range of the students, the class size and your term dates. With those we can propose a programme. We teach at your school, or at TATU Hyde, Tatu City, as agreed.

Costs and details are shared on enquiry, because every programme is fitted to the group.
